Current and former pediatric cancer and blood disorder patients and families from Jonathan Jaques Children's Cancer Center at MemorialCare Miller Children's & Women's Hospital Long Beach participate in the Annual Champions Run for Life **"Torch Run"** event. Patient **"champions,"** family, friends, sponsors and celebrities unite to celebrate the journey in the fight against childhood cancer.

This is a **free** event for Jonathan Jaques Children's Cancer Center patients, their families and friends interested in participating. We encourage everyone to help make a difference by fundraising for Torch Run. Your fundraising dollars fuel our mission-related initiatives of care, support and research that impact our patients. You'll find fundraising tips and ideas enclosed in this packet.

Dear Jonathan Jaques Children's Cancer Center families,

On Saturday, June 9, 2018 please join us for the 33rd Annual Champions Run for Life "Torch Run," where close to 300 current and former patients of Jonathan Jaques Children's Cancer Center at Miller Children's & Women's Hospital Long Beach, run in an Olympic-style relay race full of inspirational and uplifting moments as patient "champions" carry a torch – a symbol of hope for a cure for childhood cancer and serious blood disorders – as they walk, run, wheel or are carried through a one-eighth mile celebratory lap.

The Torch Run is one of our largest fundraising events and funds many patient programs and services. Your participation helps spread awareness of childhood cancer and serious blood disorders and funds the important programs that enhance the patient and family experience, including:

Art Therapy

Child Life Program

Clinical Research

Psychology

Patient Navigation Services
